7 Traffic Injuries Result Of Storms

Wet Pavement And Wind Blamed For Most Of Weekend's 25 Mishaps

Seven persons were hurt Sunday in Quad-City highway crashes, and there were two other injuries earlier, including a young boy who rode his bicycle against the side of an auto. Area accidents totaled 25.

Donald Tongay, 37, of East St. Louis, was admitted to St. Elizabeth Hospital last night after receiving 17 stitches to his forehead, suffered when his car went off Route 111 near the Route 162 junction and overturned during a wind and rain storm. He was alone.

A gas pedal that stuck was blamed for a one-car accident occurring about 5:30 p.m. Sunday at the Route 162 railroad crossing, immediately north of Granite City, injuring two people, including an 11-month-old girl.

Wallace R. Elkins, 26, of 1140 Meridian street, told state troopers he was stopped for a line of traffic halted for a train and his gas pedal stuck at the intersection of the railroad tracks and the highway.

He swerved onto rail to avoid hitting other cars and ran into injuries were suffered by two passengers, Joyce Elkins, 21, and Delta Elkins, 11 months old.

Auto Passenger Hurt

Frances Dunaway, 41, of East St. Louis, suffered minor injuries Sunday evening when a car in which she was riding spun on wet pavement and struck against a tree at the junction of State Routes 111 and 162.

State troopers said she was riding with Richard Wachtler, 50, also of East St. Louis, who was headed south on Route 111 when his car spun on the wet pavement, striking the northbound auto of Earl C. Brockmeier, 24, of 2240 W. 11th.

Motorist Injured

Loren Aleksandrian, 26, of 2121 Delmar avenue, suffered minor injuries Sunday afternoon in a two-car accident on Madison avenue at 27th street, where he had stopped for a traffic signal.

Police said his auto was struck by an auto driven south by James Lee Kirkpatrick, 19, of St. Ann, Mo., who was charged with failure to obey a traffic signal and skidded on wet pavement into Aleksandrian's southbound auto. He was released on \$16 bail.

St. Louisan Hurt

A St. Louis motorist, whose auto went onto a traffic light and then out of control for 500 feet before overturning on the right shoulder of U. S. Highway 40, was given emergency treatment early Sunday morning at St. Elizabeth Hospital for lacerations to his scalp, face and left arm.

State troopers said the driver, Lester Cole, 50, was alone in the car.

Motorcyclist Hits Barriade

A motorcyclist, Gene Bradley, 27, of Wolfson, Mo., ended his ride Sunday morning when he crashed into a barriade on Route 111 near the Route 162 junction.

SGT. EDW. J. KNEZEVICH

Died; Veteran Police Officer

Sgt. Edward J. Knezovich, 17-year veteran of the Madison police force, died at 3:10 a.m. Saturday at St. Elizabeth Hospital where he was taken Thursday with a heart attack. He was 35 years old and lived at 903 Madison avenue, Madison.

Sgt. Knezovich had been under medical care since being stricken with a heart attack June 20, after which he was hospitalized seven weeks. He was stricken at home Thursday.

Born in St. Louis Aug. 14, 1924, Knezovich was a Madison resident 33 years. He joined the Madison police department in 1944, attaining the rank of sergeant in 1950.

He was a member of St. Mary's Catholic Church, and belonged to the Madison City Organization, the Illinois Police Association and the Madison County Association.

Survivors include his wife, Mrs. Josephine Knezovich; three children, Mrs. Arthur (Lorraine) Stavar, Granite City; his mother, Mrs. Anna Knezovich, Madison; two brothers, Steve of Madison and William of Wash. D.C.; and three sisters, Mrs. Edward (Tillie) Colligan, East St. Louis; Mrs. John (Julia) Kornatowski, Madison; and Mrs. Henry (Peggy) Nowicki, Madison; and three grandchildren.

Funeral arrangements are given in an obituary elsewhere in this issue.

Nestle Plant Blast Victim's Son Dies

Funeral services were held today in Alton, Mo., for three-week-old Scott Shelby Dotson, a son of Mrs. Eva Fern Dotson, formerly of 2439 Dewey avenue, and the late Shelby Wayne Dotson, a victim in the Aug. 9 Nestle plant explosion here.

The infant, who was in apparent good health, died suddenly Saturday morning in Alton, Mo., at the home of his maternal grandparents, Mr. and Mrs. Ray Watson, pastor of the Cedarview General Baptist Church at Fontana Beach, Mo., officiated at today's services.

Surviving him are his mother, Mrs. Ray Watson, three brothers, Kelley Wayne, three years old; Mr. and Mrs. Watson, and his paternal grandparents, Mr. and Mrs. Lyle Dotson, also of Alton, Mo.

League Of Women Voters Wins Provisional Status

Recognition of the Granite City League of Women Voters, as a provisional league by the U. S. House of Representatives, was announced today by Mrs. J. W. Seneff, president of the local group.

She explained each league is accepted as a provisional unit until a "Know Your Town" study and other preliminary steps have been completed, requiring about two years.

A regional meeting will be held at 10 a.m. tomorrow at the Stratford Hotel in Alton with Mrs. Seneff, Mrs. Leo Roman, Mrs. James Henderson, Mrs. George Marshman and Mrs. E. E. Veihl to attend. The topics will be—Constitutional Convention, Economic Diplomacy and Public Relations.

A workshop on interviewing will be held Thursday at 1 p.m. in the Granite City public library auditorium, another at 7:30 p.m. Thursday in the Chamber of Commerce Conference room, both conducted by William Levin of Granite City.

An orientation meeting for women interested in the league will be held at 1:30 p.m. Friday at the library auditorium.

Small Boys Eat Pills; Stomachs Are Pumped

Terry Sarvis, four, and three-year-old Michael Marks, who lived in the Nanook Trail Court, received emergency treatment today at St. Elizabeth Hospital after swallowing five strong pills. The boys' stomachs were pumped.

The Marks boy, son of Mr. and Mrs. Ernest Marks, was visiting his grandparents at the home of Mr. and Mrs. Donald Sarvis, and his daughter, Terry. Mr. Sarvis said they went in to get a drink, then apparently climbed up to a cabinet and got the pills. He said one of the children apparently took two pills, the other three.

Also treated at the hospital Thursday was Allen McKinney, six, of 1709 Monmouth avenue, who had his right arm in a fall at home. He was released after treatment, his arm in a sling.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent during the 1960s and 1970s.

Mr. and Mrs. Donald Sarvis, 638 Broadway, Venice; Alvin Richards, 2018 Missouri avenue, St. Louis; 2023 De Gonia, Margaret Moore, 2614 Grand avenue; Nadine Whittaker, 1332 Joy avenue.

Continued Growth Destiny of This County

(Fourth of a series)

Though there is evidence that county zoning can accelerate local growth and prosperity, extensive growth still seems certain during the 1960s and 1970s. It is pointed out by Evert Kincaid and Associates in their study of economic factors affecting Madison county planning.

Because of this inevitable growth—taking the form of residential subdivisions, stores, industries, shipping facilities and shopping—zoning is either essential if there is to be order rather than chaos, and if property values are to be protected.

"Population considerations are of commanding importance in the development of a comprehensive plan," it is noted in the

War Memorial Fountain Dedication Tonight At 7

A dream come true. That's what will happen tonight at 7 o'clock when years of planning for the Rev. Paul W. Milton Worthen for a Granite City War Memorial will culminate with the operation of an illuminated fountain in Memorial Park at Niedringhaus and Madison avenues.

Worthen, chairman of the War Memorial committee, has led the drive for its existence and local veterans organizations and civic groups have contributed to the years to make the memorial a reality.

Dedication ceremonies will be held at the fountain. A plaque at the base of the fountain, donated by H. D. Karandjeff, will read:

Card Game Nets IOU, \$55 Fines For Pair

A card game in Venice last week proved more costly than gambling to a pair of out-of-town men, 45-year-old Charles Johnson of Chicago and 31-year-old James G. Willis, Jr., of St. Louis, who were fined \$55 each on charges of disorderly conduct.

Andrew Lewis, 1005 Market street, Venice, identified the pair as the men who picked him up Wednesday night at a Venice street corner.

Only trouble was, Lewis, he didn't have any money. When he offered him his IOU, the game came to a quick end and the two let him out at a Venice street corner.

The men were arrested Friday morning by Madison police, when Willis was charged with failure to signal at Fourth street and Madison avenue. He was later released on cash bond.

Decision On GC Street Dept. Under Wraps 'til Oct. 2

Recommendations on the operation of Granite City's street department will not be made public until the Oct. 2 council session, it was learned from Alderman Samuel Whittier, chairman of the Public Works committee.

The committee met Thursday evening with Mayor Davis and staff of Streets William Wardfield in a closed session, and Whittier said they agreed not to reveal any details until the next council meeting.

The committee met two hours Thursday and probably will hold a closed session again tonight, the chairman added.

Members of the committee have the task of deciding whether to adopt procedures to settle differences of opinion between the department and the city.

It has been carried out in the past or to adopt procedures set forth in the Southern Illinois University government study report. They also hope to settle differences of opinion between the department and the city.

Whittier said he expects preliminary recommendations to the council at the next regular meeting. He told the Press-Scimitar following Thursday night's closed meeting, "But until that time, we've decided to say nothing."

He added that the committee session was a quiet one and neither the mayor nor the street superintendent had their attorneys with them.

The mayor, in his statement to the council and public last Monday night, relinquished his control over the street department, but asked the Public Works committee to study the city's request for possible revision of the day-to-day operation of the department to provide a well-rounded, city-wide work program.

City Seeks Bids To Remove 19th St. Tracks

For removal of old trolley tracks along 19th street, between State and Niedringhaus avenue are being sought by the city. The tracks are being removed by the city.

Specifications call for the removal of the tracks and the laying of a new concrete. The project is to be completed by the city.

A bid advertisement appears elsewhere in today's issue.

Laclede Steel Plant 50th Year Observance

Special events are being held today and tomorrow at the Laclede Steel Company's Madison plant in observance of the firm's fiftieth anniversary.

Guests participated in a "preview open house and plant tour" this afternoon, and "family day" will be held Thursday with members of employees' families visiting the plant.

Lightning Slices Roof Of Church

Lightning which struck the Antioch Baptist Church, Fourth and Short streets, Venice, during Sunday's storm about 1 p.m., cut a foot-wide, six-foot-long swath in the roof near the steeple.

Fire Chief Michael Leatherman said there was no blaze, but the hole cut by the bolt of lightning as it ricocheted off the steeple along the roof will cost about \$200 to repair.

The brick church building was empty when the bolt struck, but a cut in the forenoon Saturday morning amounted to 1.78 inch, measured at 8 a.m. today at the gauge maintained at the Chain of Rocks canal locks by the U. S. Army Corps of Engineers.

City Officer Burned As Gasoline Explodes

A city officer, Assistant City Inspector Otto Lockley, 39, suffered burns to both hands and arms when a gasoline explosion occurred at his home, 2910 West 20th street.

"I guess the youngsters had been burning papers in it," Lockley said, "and there was an explosion that ignited my covers."

Lockley, who is on vacation with his hands, and in jumping back from the explosion, struck his forehead on a fence post. He was given emergency treatment at St. Elizabeth Hospital, where both hands were bandaged.

"I'll be able to continue my painting," he said.

Bi-State Receives 500 Requests On Elevator Bonds

C. R. E. Smyser Jr., executive director of the Bi-State Developmental Corp., said today he received the number of requests for information about a \$500,000 bond issue to finance the multi-million dollar grain elevator at the Chain of Rocks canal locks.

He said earlier that such an acceptable bid should be received.

C. R. Smyser said the prospectus for the \$500,000 bond sale has been sent to approximately 500 firms and persons. Sealed bids on the bonds will be opened at 2 p.m. today at the agency's St. Louis office.

"At this point, we have no reason to anticipate that an acceptable bid will be received," the director pointed out.

He said earlier that the construction of the huge grain elevator should begin within a few days after sale of the bonds.

The bonds are to be paid from funds received from operation of the elevator under long-term lease by the Illinois Grain Corp. of Chicago, which serves as regional marketing agency for 136 member associations throughout the state.

The Chicago firm will maintain the elevator at its own expense during its term of lease.

Card Game Nets IOU, \$55 Fines For Pair

A card game in Venice last week proved more costly than gambling to a pair of out-of-town men, 45-year-old Charles Johnson of Chicago and 31-year-old James G. Willis, Jr., of St. Louis, who were fined \$55 each on charges of disorderly conduct.

Andrew Lewis, 1005 Market street, Venice, identified the pair as the men who picked him up Wednesday night at a Venice street corner.

Only trouble was, Lewis, he didn't have any money. When he offered him his IOU, the game came to a quick end and the two let him out at a Venice street corner.

The men were arrested Friday morning by Madison police, when Willis was charged with failure to signal at Fourth street and Madison avenue. He was later released on cash bond.

Car-Strip Thieves Operating In Area

Two Autos Found Near Vacant Farm Buildings Along Bend Road Friday

Operations of a car-stripping ring in this area is being investigated by county authorities who last Friday afternoon found two stripped autos hidden in weeds at the rear of a vacant farm house on Bend road.

The cars were located by Deputy William Thompson, who said one auto appeared to have been stolen off a used car lot. Meanwhile, Granite City and Madison police arrested two groups on car theft charges.

They also took away two cars, a 1958 Chevrolet and a 1957 Chevrolet.

Pair Admits Car Theft

Two Iowa men, Douglas C. Bremer, 22, and David R. Williams, 18, both of Cedar Rapids, were arrested Friday at 7 a.m. Saturday in the 300 block of West Second street where they were seen removing Iowa license plates from a car.

The pair admitted to Madison police they had stolen a 1958 auto off a used car lot in Cedar Rapids early last Wednesday afternoon.

They were arrested when they were driving to Madison. They had been arrested when they were driving to Madison. They had been arrested when they were driving to Madison.

Decision On GC Street Dept. Under Wraps 'til Oct. 2

Recommendations on the operation of Granite City's street department will not be made public until the Oct. 2 council session, it was learned from Alderman Samuel Whittier, chairman of the Public Works committee.

The committee met Thursday evening with Mayor Davis and staff of Streets William Wardfield in a closed session, and Whittier said they agreed not to reveal any details until the next council meeting.

The committee met two hours Thursday and probably will hold a closed session again tonight, the chairman added.

Members of the committee have the task of deciding whether to adopt procedures to settle differences of opinion between the department and the city.

It has been carried out in the past or to adopt procedures set forth in the Southern Illinois University government study report. They also hope to settle differences of opinion between the department and the city.

Whittier said he expects preliminary recommendations to the council at the next regular meeting. He told the Press-Scimitar following Thursday night's closed meeting, "But until that time, we've decided to say nothing."

He added that the committee session was a quiet one and neither the mayor nor the street superintendent had their attorneys with them.

The mayor, in his statement to the council and public last Monday night, relinquished his control over the street department, but asked the Public Works committee to study the city's request for possible revision of the day-to-day operation of the department to provide a well

Water Co. Office Workers Picketing

A spokesman for the local office of the East St. Louis & Interurban Water Co. said this morning a strike of company employees has not greatly affected local operations. Emergency service is still available, he said, and only two of the striking employees work here. The strike by the water company's office workers has spread among other employees of the firm as honoring picket lines is prohibited Friday, Federal Mediator Bernard O'Keefe said today.

O'Keefe, a member of the U.S. Mediation and Conciliation Service in St. Louis, said a meeting has been set for 7:30 p.m. Wednesday at his office in an effort to negotiate the dispute. He said wages is the primary issue involved, and that "the parties weren't too far apart" at the close of the last negotiating session.

It was after that meeting, however, that the 30 members of the International Office Employees Union Local 130, left their jobs. The meeting was held Thursday.

O'Keefe said an additional 80 workers in three other plants, including laborers and meter readers, are refusing to cross the picket lines. Most of the striking workers are employed at the East St. Louis office.

O'Keefe said he foresees no difficulty in agreements over the length of a new contract. An 18-month contract was being discussed at the close of Thursday's meeting, he said, and he feels this will be acceptable to both sides, leaving only the wage issue to be settled.

Mitchell Water Lines Construction Resumes

Work resumed on the Mitchell public water system last night after contractor E. A. Weinel posted an additional \$3000 performance bond to cover possible road damage in Chouteau township.

Work on the project had been halted by an injunction suit in circuit court filed by Chouteau township highway commissioner Paul Potter, who charged that the work was damaging township roads.

Weinel already was operating under a \$475,000 performance bond. The injunction suit had been continued, allowing attorneys for Weinel and Potter to work out a settlement.

County Delegation Asks Kerner For Tax Rate Increase

Special from Springfield

A Madison county delegation last Thursday afternoon held an hour-long conference with Gov. Otto Kerner in his Statehouse office in Springfield, requesting that the special session of the General Assembly opening Oct. 10 study a proposal to raise the county general fund tax rate limitation.

Miss Dulalia Hotz, county clerk, headed the delegation. She said the governor agreed to take the matter under study, and said he would confer with legislative leaders for their views as to the prospects of such a measure's success.

"He realizes the plight of our counties and that we need help at the county level if we are not to curtail county services," she said.

Also in the group were C. G. Haller, Wood River, chairman of the board of supervisors; Walter Adams, Venice, chairman of the Madison County Democratic committee; Granite City Judge Fred Scamman; Burton Bernard, Granite City, assistant state's attorney; and Fred Grenzschach, Wood River, a member of the county finance committee.

Made No Promises

Miss Hotz said Gov. Kerner made no promises, nor did he say how he would answer their request.

A ruling by the Illinois Supreme Court last May set the maximum county levy rate for general tax purposes at the 1951 figure, which was 5.66 cents per \$100 of assessed valuation. For the 1952 year, it is 5.75 cents.

The board of supervisors' finance committee was unable to present a balanced budget this year, and reports the county is operating at a \$200,000-month loss. Assistant State's Attorney Bernard told a newsmen at the meeting last week, "Unless the tax limitation is changed, our county will be operating in the red soon."

Must Request Measure

To include in his call for the special session a measure which would amend the revenue act to allow a maximum 12 1/2-cent levy. Unless the governor specifically asks for such a bill in his call for the General Assembly to reconvene, it cannot be considered.

A St. Clair county group headed by State's Atty. John M. Karns and East St. Louis, also was present at the meeting. Karns told Kerner both counties want the limitation raised, "So we can stay in the black."

Mrs. Evenden Attends Civil Defense Course

The delegation asked Kerner to raise the revenue act to allow a maximum 12 1/2-cent levy. Unless the governor specifically asks for such a bill in his call for the General Assembly to reconvene, it cannot be considered.

Miss Judith Ann Carey And Jos. Linhart Wed Saturday

The wedding of Miss Judith Ann Carey, daughter of Mr. and Mrs. Henry Carey, 2730 Washington avenue, and Joseph Linhart, son of Mr. and Mrs. Karl Linhart, 2548 Delmar avenue, took place Saturday morning at Sacred Heart Catholic Church before the altar adorned with bouquets of white gladioli and Fuji chrysanthemums against a background of greenery.

Rev. John Barrett performed the 10 o'clock ceremony and the wedding breakfast was held directly afterward for the bridal party and the families at the Rose Bowl. Approximately 400 friends of the couple attended reception in the evening at the VFW hall.

Mrs. Margaret Crawshaw was at the organ and accompanied Richard Judd, soloist, as he sang the Lord's Prayer, "Mother Be Loved" and "Ave Maria."

Mr. Carey escorted his daughter down the aisle and gave her in marriage. Her gown of white tulle de sole was decorated with a Chantilly lace bodice and a scalloped sash neckline embellished with iridescent sequins and tiny seed pearls. Long tapering sleeves had points at the wrists and a pleated pouf de sole cummerbund encircled the waist. The very bouffant skirt worn over layers of crinoline featured satin panels in the front and back, ending in a full sweep train. A very full veil of bird illusion was attached to a jeweled crown and the bridal bouquet was a cascade of gardenias surrounded by stephanotis and variegated ivy.

Miss Virginia Judd, maid of honor, Miss Carol Saitch, bridesmaid, and Donna Davidson, flower girl, were dressed alike in ball-length gowns of frosted tulle with long sleeves and tiny seed pearls. Long tapering sleeves had points at the wrists and a pleated pouf de sole cummerbund encircled the waist. The very bouffant skirt worn over layers of crinoline featured satin panels in the front and back, ending in a full sweep train. A very full veil of bird illusion was attached to a jeweled crown and the bridal bouquet was a cascade of gardenias surrounded by stephanotis and variegated ivy.

Carrying a dainty bouquet of miniature Fuji mums and tiny little Jenny Dandies, another niece of the bride, flower girl, wore a white nylon dress with tiny puffed sleeves and a full skirt. A wreath of flowers adorned her hair.

Ladies Coterie Hears Talk On Mental Health

The Ladies Coterie, at the opening meeting of the season, was entertained by Mrs. Harold Dorries at the Rose Bowl.

A desert course was served to 23 members and a guest, Mrs. Earl Varnum of Vero Beach, Fla., a former member, and the meeting was called to order by the newly-elected president, Mrs. Christ Lous.

Announcement was made of the election of two local club members to district offices. They are Mrs. W. G. Cooley, mental health chairman; and Mrs. Paul Belington, Lincoln Lodge, Boy's town of Illinois, chairman. Plans were also made to attend two fall meetings, that of the Twenty-second District in Highland Oct. 5th, and the Madison County convention in Godfrey Oct. 19.

Mrs. Cooley, program chairman for the district, introduced Mrs. Jo Crouch of the Madison County Mental Health Clinic here, who gave an informative talk on mental health and psychiatric therapy in the district and what is involved in the treatment.

The next meeting of the Coterie will take place at First United Presbyterian Church Oct. 5 with Mrs. W. R. Huff as hostess.

PASTOR RETURNS FROM JAMAICA AND PANAMA

Rev. Robert D. Shaw, pastor of the Tri-City Park Tabernacle, has returned from a five-day trip to Jamaica and Panama. The trip was made by super jet plane to Montego Bay where he was a guest at the Caribbean Club and toured the countryside and churches in the area. He boarded another jet to fly on to Panama, staying at the Hotel El Panama.

A visit to the Panama Canal was one of the highlights of the sight-seeing tour. Rev. Shaw also went by train from the Pacific to the Atlantic in one hour stopping at the Gatun Locks to watch a ship pass. The trip home from Panama was made in four hours and ten minutes.

PARTY FOR COLLENS CLUB

The Colless club was entertained Thursday evening in the home of Mrs. Betty Kostoff, 2730 Michigan avenue.

Miss Belle Slattery, Mrs. Pauline Valicoff and Mrs. Marty Slattery excelled and received prizes.

Refreshments were served by the hostess, who was presented with credit shower gifts by the group. The club will meet again Oct. 12 with Mrs. Gerry Reber, 1522 Lindell blvd.

Mr. and Mrs. Paul Crabtree, 2620 Benton street, have as their guest today Mrs. Crabtree's sister-in-law, Mrs. O. J. Heyer of Chattanooga, Tenn., who is visiting relatives in St. Louis.

The next meeting will take place Oct. 10.

Navy Mothers Club Plans Fish Fry

The Quad-City Navy Mothers Club 850 met Thursday evening in the club room of Club Delmar with Mrs. Jean Teller, commander, in charge. Fourteen attended, including a guest, Mrs. Joyce Rodgers, and plans were made for several coming events including a fish fry at the VFW hall Sept. 29 and a Tag Day in the near future.

The mystery package went to Mrs. Pearl Griffin and the prize for the month was awarded to Mrs. Edith McCallister.

MR. AND MRS. WILLIAM SELHEIMER who were married recently at St. Mark's Catholic Church in Venice, a daughter of Mr. and Mrs. Marion R. Grashong of Venice, the bride is the former Jane Ann Grashong.

Emery-Wichman Nuptials At Madison Ist Baptist Church

First Baptist Church in Madison was the scene of the wedding Saturday afternoon of Miss Joanna Wickman, a daughter of Mr. and Mrs. Jesse S. Ditch, 1619 Second street, and Ernest L. Emery Jr., whose parents reside at 2020 McCasland avenue.

Bouquets of white gladioli and pom poms decorated the altar and a reception followed at the church. Rev. Kenneth McDaniel officiated at the three o'clock ceremony.

Wedding music was furnished by Miss Dolores Fisher at the organ and Gene Hargraves, vocalist. The songs were "Because" and the Lord's Prayer.

Given in marriage by her stepfather, the bride was attired in a gown of white satin and Chantilly lace fashioned with a sash and neckline outlined with iridescent sequins and pearls. Long tapering sleeves were set into the bodice and the very bouffant skirt was worn over layers of crinoline. Lace motifs extended down the back of the skirt which ended in a sweeping train and a jeweled crown held secure a fingertip illusion veil. The bride carried white carnations on a Bible.

Miss Nancy McManaway, maid of honor, and Miss Jane Koch, bridesmaid, were dressed alike in bluebird satin du charme. Made with short bell skirts, the dresses had round necks, bracelet-length sleeves and reversible cummerbunds. Matching headpieces and slip-on shoes completed their costumes and they held colonial bouquets of blue and white carnations.

Little Tammy De Pew, flower girl, dressed in a powder blue and white ruffled nylon frock carried a basket of flower petals.

For her daughter's wedding, Mrs. Ditch selected a dress of light blue lace, while the bridegroom's mother was in beige. Both wore matching accessories and white carnation corsages.

Mr. Emery's attendants were Elton De Pew, best man, and Richard Kisser, Lee George and Ira Martin, groomsmen and ushers.

After a wedding trip, the newlyweds will reside at 2125 Edgewood street. The bridegroom is an employee of the Chicago Northwestern Railroad. The former Miss Wickman is a graduate of the Madison high school, is employed in St. Louis.

Wilson Parents Hear Review Of GC Steel History

The history of Granite City Steel Co. and Granite City was presented to the Wilson school Parent-Teacher Association Thursday evening in the school's all-purpose room.

The meeting, first of 1961-62, was opened with the PTA prayer, and Mrs. Joan Hall and the pledge of allegiance to the flag, presented by Explorer Post 122, led by Fred Melidrum.

Clarence Windsor and Leo Kalpis reported on a fish fry to be held in the near future, and a meeting on Monday for boys of cub scout age and their parents at the school.

The PTA president, William Cedor, introduced the officers and chairman of committees. Fred Windsor, principal, introduced the teachers who were present.

The program included a guest speaker, Carl Baczanec, editor of the Granite City Steel Co. newspaper. Baczanec explained how the company was formed and told how it grew from year to year. He reviewed the ways in which the company has affected the growth of Granite City.

Mrs. Marion Meyer introduced the guest speaker and Harold Brown, recreation director of the park district, Brown presented the physical education teacher, Robert Stogemier, with a square dance trophy for the children who participated in last year's square dance program at the school.

Mrs. Barbara Miller announced that more room mothers are needed, and Mrs. Jean Rawlings announced that thrift savings stamps will begin Monday at the noon hour.

The meeting was adjourned to a social hour, with refreshments served by the executive board to approximately 125.

50 New Members For Logan PTA

The September meeting of Logan school PTA was held at the school Thursday evening when 50 new members were enrolled. Mrs. D. Reva Turner, sixth grade teacher, gave the PTA prayer, and Mrs. Charlotte Price, kindergarten teacher, introduced the faculty.

Dean Oliver, president, was in charge of the meeting which featured the first reading of new by-laws, and a presentation of the budget by Margaret White. Refreshments were served by the executive board.

RETURN FROM SOUTH

Mrs. George Borchers, 2628 Sheridan avenue, returned Friday from a week's vacation in Hot Springs, Ark., where she was joined by her daughter, Mrs. Kenneth Erickson of Dallas, Tex.

Granite City Railies For Shrine Game Victory

Buehler Sparks Warriors In 21-13 Come-From-Behind Win; Petty Scores Twice For MHS

The sparkling play of an unheralded defensive halfback sparked Granite City to a come-from-behind 21-13 victory over Madison here Friday night as the Warriors claimed the mythical inter-city football championship for the second straight year.

Vic Buehler, a 170-pound senior who has found it difficult to work his way into the GC offensive backfield lineup, was a boy in the right place at the right time Friday as he twice engineered touchdowns which overcame leads by a determined and lightning-fast Madison team.

During a second period which picked more thrills into a 30-second period than those in the capacity crowd likely to see during the remainder of the prep season, Buehler took a kickoff and rumbled 85 yards for Granite City's first touchdown this fall, and the first for Buehler in his high school career.

Then in the opening moments of the third quarter following a hard charge by the hosts' defensive line, he covered a blocked Madison punt in the Trojan end zone to again bring GC from behind with a score which proved enough to enable Granite City to win for the fourth time in the seven years the two cross-town rivals have been playing for the benefit of the Shriner Crippled Children's hospital fund.

And it was the Warrior defensive platoon again late in the game which twice stopped Madison inside the GC 10 when a Trojan score would have tied the game. Fickett's charges back within striking distance.

At it was, nobody, but nobody, left the stands until the newly installed scoreboard showed no time remaining. The visitors from Madison had been billed as possessing an explosive running attack, and lived up to that prediction.

The Trojans struck suddenly for the game's first score late in the first period, driving 86 yards in only six plays after Vince Marsalla had intercepted a GC pass on his own 10 and returned to the Madison 15.

On a third and five situation Quarterback Mick Gravelle lofted a long pass to Ed Petty, and the fleet Madison halfback outdistanced the Warrior secondary.

FIFTEEN OF 22 PLAYERS on the field Friday night are caught in this view of clashing Granite City and Madison lines. Warriors, who won the annual Shrine game 21-13, were giving protection to place-kicker Bill Liernan (11) whose unsuccessful point-of-touchdown boot (arrow) is caught on its way toward the Madison goal posts. Other players identified are Madison's Ed Petty (18), GC's Don Findell (61), Rich Hamilton (14) of Madison, and Mike Voorhees (50) and Terry Tilsworth (60), both of Granite City.

the ball in the MHS end zone with 10:29 left in the third period. Liernan faked the PAT kick, then passed the necessary two yards in the right flat to Ed Jerry Siers and Granite City led again, 15-13.

A Madison fumble on the 49 led to the game's final and decisive score, and again it was Buehler who corralled the ball after Madison Fullback Terry Andrews lost possession.

Lierman To Siers: TD
Four plays Sophomore Bob Pyle and workhorse Quentin Hoover, GC's leading ground gainer, packed the play into the Madison 15. On a first down play Lierman found Siers open in the right flat with a scoring pass, and the Warriors led 21-13.

Madison drove from its own 24 to the Warrior four before Griggs was smeared back on the 15 to snuff out a threat early in the fourth period.

Undaunted, the Trojans marched to the four again the next time they got their hands on the ball, but a 15-yard penalty which resulted in Griggs' ejection from the game killed the rally on the 16.

The Warriors stayed on the attack, eating up time, and when Madison did regain possession there was time for just two desperation passes.

Devils Lose At Wesclin Friday, 12-2
"Inexperience is killing us," Coach Bill Ohlendorf said today after his Venice high school baseballers had dropped their third straight game of the season Friday afternoon at Trenton, losing to Wesclin high school, 12-2.

Losing Pitcher Pete Fields, who went all the way, again was handicapped by a lapse in support game, Ohlendorf said. The Red Devils did lead once in the game, as they scored both of their runs in the top of the first on two walks, a base hit and a Wesclin error.

But the host team scored four runs in the fourth and broke the game open with six more in the following frame. Venice had four safeties, and the winners seven.

Fields will be the starting pitcher tomorrow at Worden, where the Devils will seek their first MCO conference win in a 4 p.m. contest.

Bowland Wins Tavern Final Sunday, 7-3

Bowland picked up all the marbles from the Sunday morning Tavern Softball league ring yesterday by defeating Polish Hall 7-3 in the league playoff finals at Lee Park.

Bowland, which jumped into the league last three weeks after the season opened, stayed there to finish on top and then won three straight playoff games to prove its class.

Sonny Miloski bested Stan Serwatski in the final game yesterday. Bowland had two three-run innings, the first and third, and Polish Hall could never overhail the winners, Pete Burdige helped winning Pitcher Miloski with a solo home run.

Paul Thompson worked behind the plate for Bowland while Walter Tulus caught for Polish Hall, the league's second-place finisher this summer. Season and playoff trophies were presented following the game by League Secretary Bob Dant.

GC Harriers Will Open At Home Against Tough Alton

Granite City high school's cross-country squad will open the fall season tomorrow afternoon against what Coach Dick Harmon feels will be one of the toughest high school hill-and-dale aggregations in Illinois—Alton.

The Redbirds will call here Tuesday at 4:30 p. m., with the dual meet to be run over a 1.8-10/10ths mile course laid out around the perimeter of Wilson Park.

"Alton, Edwardsville and Belleville (GC) will meet all three schools this fall will again be tough," Harmon predicted. "I think Alton and Belleville have the potential to become state champions."

Harmon has only two returning lettersmen from a squad which failed to win a meet last season, but said his hopes are bolstered by an unusually large turnout of underclassmen.

Time trials over the meet course were conducted Friday afternoon to determine the seven to 12 GC runners who will compete against Alton.

Following Tuesday's opener at Wilson Park, where the start and finish line will be located near the intersection of Fehling road and State street, the Warrior harriers will travel to Collinsville for a Friday afternoon dual with the Kahoks.

Two Late Scores Down Chiefs, 19-13

Bethalto's freshman football squad capitalized on two Prather junior high school mistakes to score two last quarter touchdowns here—Monday afternoon and hand the Chiefs a 19-13 opening game loss.

The teams traded touchdowns in the first quarter, with Nick Petrillo going 15 yards on an end-around play for the Prather score, and also adding the extra point on a run.

Ethan Allen galloped 55 yards in the second quarter for a TD to give the Chiefs a 13-7 half-time lead.

The clubs played scoreless ball in the third quarter before Bethalto turned an intercepted Prather pass and a fumble into two fourth-period scores. Prather will be at home to the Madison freshmen Thursday at 4 p. m.

Braves Grind Out 20-0 Win In Opener

A rock-ribbed defense and steady ground game enabled Coolidge junior high school to open its 1961 football season with a 20-0 win at Edwardsville Thursday night.

Making an early bid to repeat last fall's perfect record, the Braves did all their scoring in the first half.

John Lybarger capped a 50-yard drive in the first quarter by going over from the four, and then plunged for the extra point. Early in the second quarter, downfield blocking by Larry Curry and Ernie Kern sprung

Debeve loose on a 35-yard TD sweep. Lybarger again plunged for the extra point.

Debeve scored the final Coolidge TD with four minutes remaining in the second quarter when he was the target of a 30-yard pass tossed by Quarterback Dan Mezey.

Edwardsville threatened mildly in the third period when a blocked punt was recovered on the Coolidge 20. The Little Bengals could not move the ball any closer, however.

The Braves will be at home at Clark JHS of East St. Louis at 4 p. m. Thursday.

Winners In Golf Approach Contest

Mrs. Aylene Fruit of Edwardsville, Mrs. Rosemary Lomax of Granite City and Mrs. Jo May of Edwardsville were championship winners Thursday in a golfing approach contest at Sunset Hills country club.

The ladies' day contest was conducted by Mrs. Frances Wentz, Mrs. Theresa Eilers and Mrs. Doty Summers, with about 50 members participating.

Mrs. Elizabeth Buch of Rogersana won A flight honors, Mrs. Kappy Pratt and Mrs. Helen Padlock of Edwardsville were B flight winners, and C flight honors went to Mrs. Toni Lyons, Mrs. Bonnie McLean and Mrs. Lou Richard, all of Edwardsville.

Low net score was by Mrs. Lela Daniel of Granite City.

World Title To Spalding In 200-Lap Race Friday

Wib Spalding, stock car pilot who had already won three national championship races this summer, won the "world championship" title Friday night at the St. Charles Speedway, where he drove his super-modified car to victory in the 200-lap feature. Spalding, who resides at 4027 Garden lane, Pontoon Beach, gave a hint of things to come Friday night when he established a new track record in the time trials, negotiating the fourth-mile banked dirt speedway in 13.01 seconds. He had held the old lap record, too.

His qualifying time gave Spalding the pole position in the big race, but he ran back in the pack in the early stages, moving ahead with about 185 laps to go and holding the lead for the remaining 45 miles.

Thirty cars from 10 midwestern states entered the championship race, and Spalding's prize after taking the checkered flag included \$1000 and the national championship trophy.

He also picked up lap money for each turn around the track while he led the field.

Foundation Names Wade To Position On Staff In Korea

Word has been received that James Wade, son of Mr. and Mrs. E. J. Wade, 2519 Madison avenue, has been appointed as full-time publicity and cultural affairs officer of the American-Korean Foundation office in Seoul, Korea.

Wade and his wife have spent the past year in Seoul on a grant from the Foundation while he has been visiting professor of composition in the music department of Yonsei University.

Wade served as coordinator for a recent concert tour of the Harvard Glee Club, which gave three performances in Seoul under the co-sponsorship of the Foundation, the U. S. Information Service and the Korean Musicians' Association.

He supervised rehearsals of the Korean Symphony Orchestra and also a select Korean chorus which performed with the Glee Club; arranged the schedule, transportation and housing; and accompanied the 60 members group during its week-long stay in Korea.

Outline of Automation Given By Hundley

What is automation, and does it usually involve new equipment that will result in the displacement of a number of employees? Those are just two of the questions that John R. Hundley, director of industrial relations and personnel at the Granite City Steel Co., was confronted with during a recent radio broadcast.

"Taking it one step at a time, Hundley, who is a member of the Governor's Committee on Unemployment for the State of Illinois, defined his topic first. "Automation is the technology based on communication a control," said Hundley, "it is not, however, equipment without operators but does lighten the work load, increase the productivity and reduces the cost of the product. Of course, it requires tremendous capital investment."

He explained that automation was the third phase in the development of technology that began with the Industrial Revolution of the 18th Century. He pointed out that first came mechanization which created the factory system, then in the early 19th century the assembly line brought the assembly line and other machinery so expensive that ownership of industry had to be broadened and divided among millions of separate shareholders.

"Finally, since world war II, automation has added the element of automatic control and decision making, turning the factory into a more integrated unit requiring production on an enormous scale," the steel company executive continued.

"Modern automation is a technology based on application of power. Mass production was a technology based on principles of production organization." In answer to the employee displacement inquiry, he pointed out that the question was somewhat misleading and, "accordingly, has to be qualified. The answer is obviously 'yes' — that it does result in the displacement of a number of employees. However, the displacement is temporary and through automation costs are reduced, new products are developed, new markets found and employment opportunities are increased. The support to this contention, he said that at the end of world war II, when automation began, there were 60,168,000 people in the civilian labor force; today, there are 67,000,000.

He said that Computer Sciences, Inc. estimated that 10,000 computer installations will be made this year. He told the listening audience that a few years ago his own company rented automatic equipment.

"As a result of the renting of this computer and related equipment, we have not laid off any employees, but have eliminated the necessity of increasing the work force to keep up with the increased work load," he explained.

Periodically, he referred to a chart that he entitled, "Jobs in the Growth Industries." He said that automation has provided everyone with more leisure time as shown in the decided increases in education, automation equipment, motels, swimming pools, airlines, housing, boat building and repair, and other sporting goods and athletic equipment.

State Supreme Court Upholds GC Ordinance

(Special from Springfield)

The Illinois Supreme Court on Friday upheld the Madison county circuit court's decision in a declaratory judgment suit to test the constitutionality of a Granite City ordinance permitting Granite Office Building Corp., a subsidiary of Granite City Steel Co., to install conduits and lines under a public street.

The suit was filed by Charlie D. Wilbers, who formerly operated a used car lot at 19th street and Grand avenue, against the city and the Granite Office Building Corp. The state Supreme Court opinion was written by Justice Harry B. Hershey of Taylorville.

"The ordinance granted the building corporation authority for 50 years to install, operate, maintain, replace and repair a steam line, two chilled water lines, a message-carrier pipeline and electrical conduits from the Granite City Steel plant under 19th street and State street to the steel firm's office building at 20th and State streets."

Award, High Ratings To Boy Scout Council

The Cahokia Mound Council is 10% higher than the average Boy Scout council in such major areas as the number of boys reached by scouting and in the extent of commissioner service. Reports showed at the 1961 Region Seven conference at Green Lake, Wis., from which local scout executives recently returned.

The council's camping record also is one of the highest in the four-state region, and it was honored as one of the top five in the region in Boy's Life magazine circulation. A special Boy's Life award was presented to the council.

Those attending included Eugene Coe, Cahokia Mound Council scout executive, and Mrs. Coe; Daniel Brown, Unitway or Quad-City district executive, and Mrs. Brown; Clayton Breihan, field director; and Donald Dickerson, Collinsville district executive.

Coe, Brown and Breihan served at the week-long conference as instructors or panel members in courses dealing with phases of scouting work.

Skill demonstrations viewed by the gathering of 600 included a cub scout rocket racing booth set up by the local council.

1962 Cadillac Models Currently On Display

The 1962 Cadillac, featuring 12 new body styles, is currently on display in the showrooms of the East Side Motor Co., Inc., 1101 St. Louis avenue, East St. Louis.

Among engineering advancements listed by the company are independent front and rear braking, a three-phase rear lighting system and forward cornering lamps, said to enable the driver to see around sharp bends at night.

Contours of the 1962 Cadillac remain basically unchanged from 1961, but the widest selection of interior colors and fabrics in Cadillac history is available this year.

Airman James E. Lomax Assigned To Texas Base

Airman James E. Lomax, son of Mr. and Mrs. Edwin Lomax, 1223 Douglas street, Venice, has been assigned to a unit of the Air Training Command, Randolph Air Force Base, Tex., for training and duty as an administrative specialist.

He recently completed basic military training at Lackland Air Force Base. A graduate of Madison high school, Lomax will receive on-the-job training under highly-qualified technical specialists.

Assignment for investigations and report him to police or some adult.

Stop Sign Arrest

Charged Thursday evening with passing a stop sign at 19th and West 20th streets was Gary L. Miller, 29, of 2909 Cayuga street, who posted his driver's license at bond.

He told Optimists that 4000 x-rays have been taken and over 12,000 plaster casts used by the St. Louis hospital, which was built in 1924. The average boy or girl admitted for care stays 94 days, he said.

Biggs said the children's hospitals are completely charitable institutions, supported by the Shriners throughout the nation. He said the annual Shrine Circus and football programs take care of much of the costs, and individual gifts contributed by members make up the remainder.

John Tate was in charge of the program for the meeting, which held at the Elks Club.

Civil Service Engineer Examinations Announced

Senior and graduate high school students may be interested in a new civil service examination announcement just released. This announcement, issued by the army board of examiners, provides employment opportunities for beginners in engineering support positions with the army engineer district in St. Louis.

Robert Bronstein, executive secretary of the board, said applications were being sought from high school graduates and students who expect to complete, within nine months of the date of application, a full four-year senior high school curriculum.

Interested persons are urged to write to the Army Board of Examiners, 815 Olive street, St. Louis 1, Missouri; or to contact Mr. Daryl B. Few at the Granite City main post office for a copy of the examination announcement and for further particulars.

Police Chief Gives Advice To Schoolage Youngsters

Now that school is well under way, Granite City Police Chief Raymond Willardet has issued the following eight safety rules that all school children should observe for their own protection.

Willardet suggests they clip the following rules out of the paper and memorize them. They are:

No. 1 — Never take a ride in any strange car with a person you do not know and never hitchhike. Willardet suggests that if someone tries to get you into a strange car, get the license number of the car and report him to police or some adult.

No. 2 — Never take candy, money, or other gifts from a stranger. Don't let the stranger touch you. Get away from him and report him to police or some adult.

No. 3 — Do not go to the movies alone. Go with a friend or your parents. If anyone tries to touch you in the movies, get out of your seat right away. Go tell the usher or the man in charge of the theater.

No. 4 — Write down the license number of any stranger's car if he tries to get you to get in the car. If you do not have a pencil, scratch the number in the dirt with a stick, says Willardet. Then report what happened to the police or an adult immediately.

No. 5 — Do not play in empty buildings or alleys. Do not go to places alone where you might not be seen by someone if something should happen to you. Play with a friend, not alone.

No. 6 — Do not go with men to their rooms or living quarters.

This can be dangerous, even if someone appears friendly. If such men want to talk to you, they can talk outside. Keep away from closed rooms. If they say they want to show you pictures, or give you candy, or money, stay away.

No. 7 — Remember, the police officer is your friend. If something happens to you, tell a policeman about it.

No. 8 — Beware of the stranger! A person you don't know may be friendly and most often he will be. But again he may not. He may harm you. There are some people who for some reason look for children to harm.

Make sure your parents know where you are if you do not go straight home from school. Don't give the stranger a chance. Stay away from him.

It's the wisest thing you can do, concluded Willardet.

Speakers Named For Lay Leaders' Conference

Speakers for the 1961 lay leaders' "Churchmanship" retreat at Lebanon Oct. 7 and 8 have been announced by Raymond L. Honley, 2540 Cleveland blvd., lay leader of the East St. Louis District of the Southern Illinois Methodist Conference.

Glendon Holson, a Centralia attorney who is widely recognized as a lay leader, will speak on "Full Time Christians" the opening day, and the second day's speaker is Dr. Walter Wagner, executive director of the Metropolitan Church Foundation of Greater St. Louis.

Chamber Committee To Hold Dinner Meeting

The light industry committee of the Tri-Cities Chamber of Commerce will hold a dinner meeting at 6:30 p.m. Thursday at the Rose Bowl restaurant.

Milton Morris, committee chairman, said that 21 firms have been invited to the meeting. Morris explained that nine firms met recently and decided upon the organization of such a committee for the process of organizing an educational and business development program. Representatives of 12 additional light industries have been invited to Thursday's meeting.

Cadillac presents for 1962
the Masterwork of the
Motoring Age

1902-1962

Fleetwood Sixty Special, sedan; Sedan de Ville, below.

You have had your first look at the new "car of cars". Its name is Cadillac—and its destiny is a place among the most renowned automobiles of our time.

Its new styling is remarkably clean and crisp and graceful—with a look of "rightness" in every line and contour and detail.

Cadillac's new Fleetwood interiors beckon with a jewel-like beauty. There are marvelous new fabrics and leathers . . . and new conveniences on every hand.

Engineering triumphs include independent front and rear braking . . . exclusive new cornering lamps that light your way around turns . . . a revolutionary three-phase rear lighting system . . . and many other important advances.

Yet, some of the noblest advances cannot be seen. They must be felt and sensed—performance that is incredibly quiet and smooth and nimble . . . handling ease so great that the mere weight of your hand puts you in command of the road . . . craftsmanship that is so practiced and so precise that the car has become a marvel of construction and a paragon of dependability.

These new Cadillac wonders are evident in each of twelve new body styles—and are available with the widest selection of interiors in Cadillac history.

Even if you have never before considered a Cadillac—you should take a journey in this one.

It's Cadillac for 1962. You'll be hearing a lot about it.

VENICE LADIES' CLUB MARKS 21ST YEAR

The twenty-first anniversary dinner of the Venice Ladies' Democratic club was held Thursday evening at the Smorgasbord restaurant.

Miss Rose Thompson, president, presided over the meeting and called upon to county Democratic chairman, Walter Simmons, to introduce city and county officials who were guests for the evening.

They were Mayor and Mrs. John E. Lee, City Clerk and Mrs. William Ebersold, City Treasurer and Mrs. Bernard Anderson, County Auditor John Kravak, Recorder of Deeds and Mrs. James Chapman, Probate Judge and Mrs. Patrick O'Neil, County Treasurer and Mrs. Dan McGee, County Clerk, Eubala Hotz, Miss Evelyn Boles and Circuit Clerk Willard Portell.

Fast presidents of the club were introduced and a moment of silence was held in memory of the deceased, Mrs. Myrtle Jenkins, Mrs. Celestine Voegel and Mrs. Pauline Reidelberger.

A discussion was held of the club's Thanksgiving dinner. Members present were Mesdames Georgeann Mahall, Irene Brown, Clara Simmons, Mrs. Craycraft, Clara Slemore, Fern McElmidge, Frances Cook, Fay Smith, Ethel Moore, Penny Adams, Naomi Boelling, Marlene Miller, Clerk, Shelia Bro, Angeline Scaturro, Alice Shambo, Betty Guffey, O'Neil, Caudron, Olga Goodrich, Shirley Foote, Hazel Cockrell, Jessie Foley, Hiss Bauer, Lill Durer, Catherine Farnbach, Ellen Edwards, Lillian Robbs, Carrie Thiele, Lillian Ludon, Fay Toady, Marcela Boushant, Bess Snell, Mary Magi, Laura Miller, Ann Hardin, Hazel Ester, Mary McKinney, Estella Shirley who is a new member, and Miss Rhea Byrnes.

JR. GROUP ELECTIONS

The Junior Group of the Venice-Madison American Legion Auxiliary Unit 307 met Saturday afternoon at the Legion home, Margaret Ann Taylor, junior chairman, conducted the meeting and an election of officers was held.

Elected were chairman, Judy Johnson; first vice-chairman, Gail Schermer; second vice-chairman, Joan Bergrath; secretary, Mary Bergrath; treasurer, Margaret Ann Taylor; chaplain, Shirley Taylor; historian, Jane Johnson; and sergeant-at-arms, Sophie Yokobovich.

Plans were discussed for the 22nd district Junior meeting at the Venice-Madison Post in November. Refreshments were served to the eight girls present by the advisors, Misses Dorothy and Norma Hinson and Mrs. Dorothy Bergrath. The next meeting will be held Oct. 21 with Gail Schermer as hostess.

FIRST SCHOOL DANCE

The first dance of the school term was held Friday evening in the Venice high school gymnasium, sponsored by the F.H.A. Club.

For the "Lemonade Dance," the admission charge was three cents for each seat in a lemon presented at the door. Decorations were giant lemons resembling a couple dancing. Games were played and an orchestra furnished music. Lemonade and cookies were served to approximately 80. Faculty members serving as sponsors were Miss Shirley Galt, Home Economics teacher, and Lewis Sablin, principal.

Reception Held For Kindergarten

A "get acquainted" reception for kindergarten parents of the Niedringhaus school was held Thursday evening in the school cafeteria.

Clayton Creek, the incoming president, welcomed the parents and guests and introduced Gerald Bushue, school principal, who presented the kindergarten teacher, Miss Landa Jacobs, and Mrs. Ellen Hoffman, school secretary.

Miss Jacobs explained the methods of teaching the children and later the principal conducted a question and answer period on school problems.

Refreshments were served from attractively decorated tables. The reception table, which held the coffee and tea services, was adorned with roses and foliage, while the individual tables placed in the form of a horseshoe, were centered with small greenery.

Mrs. Alice McGee was in charge, assisted by Mrs. Frankie McGee and Mrs. Hazel Crevik. Approximately 75 were present.

Gabriel Shrine Officers Honored

Gabriel Shrine 78, White Shrine of Jerusalem, officers group was entertained Saturday evening at the Rose Bowl with Mrs. Ann L. Mueller and Floyd Mitchell as hostess and host.

Special awards went to Miss Friede Michel, Mrs. Ruth Mitchell and Phil Morrison.

Also attending were Mrs. Ann Burnett, president, Dr. and Mrs. Elwood Ackerman, Mr. and Mrs. David John, Mrs. Elizabeth Morrison, Mr. and Mrs. A. J. Mueller sr. and Mrs. A. J. Mueller jr., Mrs. H. H. Morris, Mr. and Mrs. Robert Thomas and Roland Mueller and guests Mrs. Grace Burroughs, worthy high priestess of the Shrine, and Vernon Cherry, watchman of Shepherds, and Mrs. Cherry.

Officers Elected At DUV District Convention Here

Imma Taylor, Illinois Department president and also a member of Tent 92, and Mrs. Bessie Smith of St. Louis, a past national department president, were introduced.

Mrs. Irene Haug gave the response and the meeting adjourned for a noon luncheon served at St. Peter United Methodist Church. After luncheon, the group toured the Granite City Engineer Depot at the invitation of the commander and Mrs. Sylvia Turner, a past district 92 president, and the visiting delegations viewed the Civil War cannon, a gift from Sarah Jane McVeers Tent 90 to the Depot.

Addresses were given by the Illinois Department president, Mrs. Taylor, who announced the time and place of the 1962 department convention; Mrs. Smith, past national president; and Mrs. Elizabeth Jeans, of St. Louis, past national relief corps president.

Among the district officers elected and appointed were Barbara Kinsler of Alton, president, and the following local women, Laura Bishop, Tent 92, chaplain; Edna Hoevel of Tent 92 and Pearl Ward of Tent 90, council members; Violet Kassabam, Tent 92, public instructor; Louise Thompson, Tent 92, color bearer; Beulah Gates, Tent 92, secretary; and Gusto Pendleton, assistant guard.

Among the installing officers were Mrs. Taylor of the local tent, installing president; and Mrs. Letha Gitchoff, Tent 92, guide. Others were from cities throughout the district.

Coffee and rolls were served to the district by Mrs. Hoevel and Mrs. Louise Thompson and the convention committee.

Mrs. Angie Buehler, captain, was assisted by Mrs. Juanita Bevinas, Mrs. Florida Batson, Mrs. Kathryn Clark, Mrs. Dolores Klech, Mrs. Helen Lipchik, Mrs. Ann Konopka, Miss Sylvia Roy and Mrs. Mary Brominski.

Among the guests of honor was Mrs. Frances Steinman of the local Auxiliary, junior past state president. The speaker was Mrs. Alberta Kellogg of Decatur, a past state president, and among the candidates initiated was Mrs. Ruby Sparks of the local group.

ATTEND CONVENTION

Mrs. Kathryn Fellers of Granite City, and Mrs. Joseph Bergrath of Madison, have returned from Dallas, Tex., where they attended the national convention of the Veterans of World War I. Mrs. Olive Marton of Indianapolis, Ind., accompanied them home and will be a guest of Mrs. Fellers for several days. Mr. and Mrs. William Breidenbach also attended the convention but remained in Texas for another week.

ROYAL AMBASSADORS HOLD MEETING

The George Wheeler Junior Ambassadors of Second Baptist Church held a ranking meeting at the church Saturday with David Newberry, ambassador-in-chief, in charge.

After the opening prayer, Gary Wigger took part in the ceremony and a pool was set for a state meeting offering.

The group made individual scrapbooks and decided to send plowmen to the Carol Children's Home. A lightly decorated project was for the church and a Circle of Brotherhood was formed with Robert Davis, counselor, giving the closing prayer. Present were Ernest and Oscar Tooley, Bruce and Tommy Freeman, Dexter Harmon and Randy Miller.

COUPLES CLUB MEARS CENTRALIA PASTOR

"A Christian's Understanding of Sex" was the topic of a talk by Pastor Kolb of Centralia, a guest speaker, at the meeting of the Couples Club of St. John Lutheran Church on St. Clair avenue last night.

A five o'clock supper was served to 40 members and guests at tables decorated with miniature baskets containing fall. Other guests were Mrs. Kolb, Mr. and Mrs. John Kulkir and Mr. and Mrs. William Hollis.

Serving on the hospitality committee were Mr. and Mrs. Rudy Diak and Mr. and Mrs. Quiller Hines.

SECRET PALS BIRTHDAY MEETING

Mrs. Arthur Grimm, 1532 Niedringhaus avenue, entertained the Secret Pals Birthday Club at a party in her home Friday evening.

Miss Dolores Crain, the birthday honoree, was presented with gifts and others present were Mrs. John Maykopet, Mrs. William Zimmer, Mrs. Lester Fehling, Mrs. Bill Williams, Mr. Ernest Ell and Mrs. Norbert Sudholt.

The club's next meeting will be with Mrs. Ell, 1533 Rodgers avenue.

VISITS RELATIVES HERE

Mrs. William Bridle of Quincy was here the past week for a visit with her son-in-law and daughter, Mr. and Mrs. Don Shone and family, 2112 Ames avenue, and aunt, Mrs. Alpha Garrison of Venice.

ANNIVERSARY DINNER AT R. Z. MILLER HOME

Mr. and Mrs. Ralph Z. Miller Jr., 2411 Cleveland blvd., entertained guests at a dinner party in their home Sunday evening in honor of the birthdays and anniversaries in their family.

Present were Mr. and Mrs. Victor Gage of Eureka, Mo., Mr. and Mrs. Paul Sickler and daughter, Alice Virginia, of St. Louis, Mr. and Mrs. Allen Buehler, Mr. and Mrs. Gary and daughter, Sherly, of Kirkswood, Mo., and Mr. and Mrs. Ralph Z. Miller Jr. and their daughters, Nikki and Patti, of this city.

RADIANT GUILD HOLDS MEETING

Radiant Guild of the Gospel Haven Community Church on Maryville road met Thursday evening in the home of Mrs. Madge Boone, 4727 Benning avenue.

Thirteen were present, including a guest, Mrs. Betty Martin. Announcement was made to select new officers and to complete the new year books.

Announcement was made of a trip planned for Wednesday to the Madison Nursing home.

Devotions were led by Mrs. Dorothy Luckert and after the meeting the hostess served refreshments assisted by Miss Barbara Martin.

Arthur W. Bieser, 49 Shady lane, Belleville, died at 7:30 a.m. Friday at St. Elizabeth's Hospital in Belleville at the age of 76. He was the step-father of Albert and James Mallick, both of Granite City.

A retired banker, Mr. Bieser spent most of his life in Belleville, where he was born. He belonged to Belleville Masonic Lodge 24, and a number of Masonic organizations within the lodge.

Survivors, in addition to his two step-sons here, are his wife, Mrs. Golda Bieser; a son, Arthur L. Bieser, Cranston, R. I.; a sister, Mrs. Paula Gauss, Belleville; and four grandchildren.

Funeral services were conducted at a Belleville funeral home, with interment in Walnut Hill Cemetery there.

Sonic Booms Blamed

For Apparent Damage

Apparent damage resulting from sonic booms was reported Thursday night in Mitchell, and Granite City police received a call at 12:15 a.m. Saturday from a woman in the 2700 block of Nameoki road who said, "something just hit my house."

No damage was reported. Mrs. Fred Segar, 140 Big Four place, Mitchell, told the Press-Record the Thursday night sonic boom cracked the plaster walls in four rooms and the hallway of her home. Tom Donaldson, owner of Donaldson's Cafe in Mitchell, said Thursday's boom cracked the plaster walls in his kitchen. He added that a boom cracked the plaster walls in the front of his cafe the week before.

The birthdays of Mrs. Alta Routh and the hostess were celebrated, and Mrs. Marie Hoelscher was presented with a gift from the group for her 25th wedding anniversary, which will be Oct. 4.

Lunch was served and the afternoon session was held in the afternoon.

Purchase Of Power Will Enable More SIU Funds To Be Used For Classrooms

On the basis of its engineering report, Southern Illinois University chose the right course in deciding to purchase electricity and natural gas for its new Southwestern Campus east of the Quad-Cities. The decision means that many more classrooms will be obtained from the \$25,000,000 bond issue funds than would have been possible if the university had built a full-scale power plant.

The report listed potentially higher operating costs with power being purchased, and a possible \$6,000,000 saving over a 35-year period if the school produced its own power. But initial costs will be much less, and it was noted that rapidly changing technology in power generation could alter the long-range outlook. In 35 years, a university power plant built now might be obsolete and of little use to taxpayers; under the plans approved by SIU trustees, it will be up to Illinois Power Co. to keep its service to the university up-to-date.

Top priority for classroom construction also seems wise in view of the unique nature of the source of funds—a statewide bond issue approved in November 1960. Such state programs are unlikely to occur often, and the most must be made of the present opportunity; there is no question but that the state assembly will provide funds to operate all classrooms that are built.

Last, but far from least, there is no doubt about the need, and no possibility of "over-building." Enrollment projections indicate that classroom space will be at a premium at the new university throughout the foreseeable future.

Appropriate Theme For United Fund Campaign

The football theme is appropriate for the United Fund effort this fall, for the annual fund-raising is complete with a parade, a kickoff, a drive toward the goal, the need for teamwork, a helmet to be worn by leading ground-gainers and a trophy at the end for deserving participants.

The analogy also will fit in well with the campaign's progress reports; the 100-yard gridiron will represent the 100% contributions that must be achieved in each division if success is to be the result. The seven divisions will form the forward wall of the drive, with Chairman Sidney Aubrey in the role of signal-caller.

In any sport like football, public participation and backing is essential in order for a team to be able to fight its way to victory. This will be particularly true for the United Fund, which opens Oct. 17, in the heart of the football season.

New Laws Aid Federal War On 'Enemy Within'

Though the federal government has earned a reputation for effective law enforcement, past fear of a "police state" has resulted in sharp limitations on the authority of the Federal Bureau of Investigation and other agencies. Success of gang overlords at building a lucrative and powerful empire has shown the need for increased federal jurisdiction, part of which has just gone into effect.

U. S. investigators and prosecutors have had three weapons added to their arsenal this month. One outlaw interstate commerce in gambling, nar-

cotics, vice, extortion, bribery and liquor rackets; another forbids interstate shipment of numbers slips, lottery tickets and other gambling paraphernalia; the third outlaw interstate wire transmission of horse race bets and information. Other legislation aimed at professional criminals is to be sought next year.

The new laws are of special interest in view of comments by Edward R. Phelps, just appointed as U. S. attorney for the southern Illinois district, who emphasized that bookshops and other gambling form the "backbone of organized crime." This coincides with Attorney General Kennedy's statement to Congress that "from huge gambling profits flow the funds to bankroll the other illegal activities."

Enemies in the United States are as dangerous as the Communist conspiracy abroad to the perpetuation of freedom and civilization as we know it. Basic safeguards for the individual have been retained, but to a greater degree the government's hands are now freed to fight the "enemy within."

Helpful Byproducts Of Civil Defense Program

It is not clear whether the Berlin crisis, Cuba, nightly space bombs or some other factor is responsible, but increasing interest has been noted in the establishment of public and private shelters for protection from radioactive fallout. In addition to whatever direct benefit accrues, many helpful byproducts of the greater civil defense awareness seem assured.

Preparations for a nuclear attack are almost identical to steps that would reduce the casualty toll in a tornado or other natural disaster. And greater emphasis on preparedness for emergencies, especially the widespread knowledge of first-aid procedures, can prove of value in many everyday occurrences.

Economy Creating 600 New Kinds Of Jobs Each Year

Problems related to automation, re-training of workers, obsolescence of products and elimination of jobs and trades are numerous. But there is a ray of hope in the fact that the nation's dynamic economy is creating 600 entirely new kinds of jobs every year.

One major company reports that four out of every five of its current products have been invented or commercially developed since the end of world war II. The comparatively new missile program already employs nearly a half-million Americans. Such fields as nuclear power, miniaturization, shuttleless looms, frozen food and computers also are expected to broaden work opportunities and create a demand for new skills.

The challenge of fitting both new and experienced workmen into the changing employment picture may not be easy, but the trend toward brand new trades provides a basis for optimism. Perhaps placement and training procedures could use some of the imagination that is being displayed in development of new products and jobs.

Traffic regulations, rigidly and impartially enforced, save lives on the streets and highways.

THE PASTOR SPEAKS

REV. R. D. SHAW, Pastor, Trinity City Tabernacle.

The Prophet Isaiah peering down the corridors of time goes into minute details concerning the first advent of Jesus. Among the descriptive phrases that clearly represent His mission is the expression, "He was numbered with the transgressors." To some this may mean the gory scene of the cross where Our Lord suffered the ignominious shame of dying between two thieves. He, who never took from, but always added to, was placed in a disgraceful "lineup of rogues on Golgotha."

But the life of Jesus was one of association with sinners. He was criticized for spending too much time with "the publicans and sinners."

He replied, "they that are whole need not a Physician, but they that are sick." Jesus identified Himself with Us He became

one of us! I was preaching one Sunday night recently and made the following remark that wasn't intended to be humorous. "I receive many nice compliments from unsaved people. I have a lot of sinner friends. I guess sinners like me because they feel I am one of them."

A Christian cannot be an effective witness in a cloister. He must walk the crowded ways rubbing elbows with the "down-and-outs" as well as the "up-and-outs." The secret of the success of the Salvation Army was not in its temporal advantages, but in the humble ministry of a General Booth that could see the "slums and the bums" of London, and was moved to do something about it.

The church must come down from the grandstand and into the arena of life. We have too many spectators and not enough participants.

Vacant House Destroyed By Fire At Cloverleaf

Fire reported at 3:25 a. m. Sunday destroyed a vacant one-story frame house at 2127 Col. linsville avenue, Cloverleaf addition, Madison firemen remaining at the scene until 5 a. m., but were handicapped by lack of water. The house was estimated at \$3000 to \$4000.

The blaze apparently started in the basement, which was gutted in flames when firemen arrived after being called by neighbors. Firemen said utility lines were shut off, and they are conducting an investigation to establish the cause of the fire. All water available in the fire trucks was pumped onto the flames, but they had gained too much headway.

The family had moved out Saturday morning, going to St. Louis, firemen learned. The owner was listed as H. V. Schenover.

Mrs. Delina Bowdin Succumbs At Age 70

Mrs. Delina Bowdin, 70, of 2721 22nd street died at St. Elizabeth Hospital at 4 p. m. Sunday. She had been under medical care with a heart ailment for the past year, and was hospitalized much of the past two months after suffering a stroke.

A native of Montreal, Canada, Mrs. Bowdin moved here 18 months ago from Ava, Mo. Her husband, Harvey, who is in retirement, is a patient at the St. Louis Veterans' Hospital.

Survivors, in addition to her husband, are a son, James C. Reynolds of Van Nuys, Calif., one grandchild and one great-grandchild.

Funeral arrangements are given elsewhere in this issue.

Four Fined In Venice

At hearings Saturday before Venice Police Magistrate Wesley Edwards, William Koltz, Kerr Island, Venice, was fined \$30 for drunkenness and disorderly conduct, being ordered to work out the fine with the street department; Merle Sternberg, 1704 Sixth street, was assessed \$20 and costs on disorderly conduct and Harold Kellman, St. Louis, and Peter Tocco, Ferguson, Mo., paid \$5 and costs each on passing a school stop.

Driver Faces Charge

A charge of failure to yield right-of-way was placed against Joseph L. Davis, 24, of 2312 Oregon avenue, who was involved in a two-car accident at 23rd street and Cleveland, last Sunday morning. Police said Davis, who posted his driver's license as bond, was driving south on Cleveland; while the other car was being operated west on 23rd street by Edith M. Jenkins, 37, of Edwardsville.

Further Plans Made For Zoning Hearings

Definite plans for three-a-week Madison county zoning hearings starting in October were announced Thursday afternoon following a meeting of the Zoning and Subdivision Control committee of the County Board of Supervisors. Dates and procedures are to be planned in a joint meeting of the committee and the County Zoning Commission. The commission will conduct hearings in the 22 townships having unincorporated areas. Conferences were held last week with industrial, railroad and coal mining representatives on provisions necessary for a workable zoning ordinance. A tentative zoning draft is to be revised on the basis of such hearings and conference before submission to the county board.

Johnson Speaks At Civil Defense Staff College

During the first of two weeks of training at the Staff College, Office of Civil and Defense Mobilization, Training and Education, Battle Creek, Mich., Madison CD Director Harry R. Johnson spoke last week on the Mercury, Nev., nuclear test, the explosion was shown.

Johnson studied mobilization last week and will receive further training in CD planning this week. Madison's mock air raid motion picture has been screened and may be presented at the staff college. Last week's class included 50 military and CD personnel and 75 clergymen.

Capacity Crowd Attends Church Consecration

A capacity crowd attended the Dewey Avenue Methodist Church consecration services yesterday, with an estimated 300 persons arriving for the open house later in the afternoon, according to the pastor, Rev. Commodore Grove.

Dr. W. L. Cummings, Lebanon, superintendent of the East St. Louis district of the Southern Illinois Methodist Conference, delivered the consecration message in the morning session. Rev. Grove officiated at a recognition service in the afternoon.

Former pastors present for the recognition service were Dr. Harry Brown, retired, now living in Florida; Dr. O. F. Whitlock, now pastor of the First Methodist Church in Effingham, and Rev. Raymond Clossfelder, currently pastor of the First Methodist Church at Gillespie.

The church's Youth Choir provided special music for the day, and refreshments were served in the new basement kitchen during the open house.

NEW ANIMAL SHELTER building taking shape on a tract north of Granite City along U. S. Highway 67. Completion of the concrete block building is expected before the winter is over. Local labor unions are donating time for the project.

City Animal Shelter Should Be Completed This Winter

Construction of the city dog pound, under way for about five months with workers from various Quad-City labor unions donating their time, is expected to be completed sometime this winter, Jack Fricker, city inspector, said today.

"We're trying to get organized and into operation before cold weather hits us," he said. "After the bricklayers get the walls up and we get the roof on, we can work inside regardless of the weather."

The concrete-block building which will eventually rise at the site on Highway 67 west of the city limits and near the RC Cola and A. O. Smith Corp. plants will be of functional design.

The dog pound or humane shelter, as it will officially be called, will be under the supervision of a special eight-member board appointed by Mayor Davis and approved by the city council.

Want To Place Dogs

"Our main object will be to place as many dogs as we can in homes," Board President Mrs.

Robert Chapman said. "We don't want to put them to sleep if they're healthy and young enough to be placed somewhere."

A new dog pound became a necessity when the old pound was razed last fall because of federal highway construction. Since then a makeshift and altogether inadequate pen in the city garage, 10th and Benton streets, has been used.

The city purchased the site from Herbert L. Ousley and Leah Ousley and provided \$7000 in this year's budget for construction materials. Bricklayers, laborers, chauffeurs, carpenters, electricians, plumbers and cement pourers have worked on the building without charge to the city.

Seebold Construction Co., for instance, has donated and hauled about 100 loads of dirt which was dumped at the site to provide a grade to carry rain water from the building, Fricker pointed out.

"It's still in its infancy but the concrete floor has been poured and plumbing has been brought above the ground level," Fricker said in describing the current stage of construction. "Drains have been installed and a furnace with either natural gas or oil will provide heating in cold weather."

Separate Pens Planned

Walls and floors will be of slick wood which can be washed down as often as necessary, the city inspector said, and separate pens are planned for large dogs, small dogs, sick dogs, female dogs and possible other categories.

A gravel drive will circle the approximately 33 x 44-foot building and an electric sign will be installed for viewing from the highway by day or by night. The grounds will be seeded and trees planted.

Actually, little is definite at this time as to the dog pound's organization, according to Mrs. Chapman. She said it was her understanding that the board would make recommendations directly to Mayor Davis, who

would present the requests to the city council.

Although a specific method of disposing of dogs has not yet been arrived at, speculation was that Dr. Leland Holt, a local veterinarian, would visit the shelter once a week and put specified animals to sleep by injecting air into their bloodstream with a hypodermic needle.

Expense A Factor

"We'll probably try something like this at first to see how expensive it will be," Mrs. Chapman said. "It may be too expensive with the town growing as it is."

As many as 35 or 40 animals have been jammed into the temporary pen in the city garage at a time, Mrs. Chapman pointed out. So the new building is being constructed with provisions for installation of a gas or electric furnace chamber if needed later, it was reported.

Dog cards will be necessary if the shelter is to operate with reasonable efficiency, the board president said, but so far the source of funds to hire a permanent secretary to keep the cards and other records up to date has not become apparent.

"Some people will bring dogs in to be destroyed, others will offer their animals for adoption, there will be lost dogs and some stray animals without licenses — and all should be checked and coded when brought in," Mrs. Chapman pointed out.

Numbering System

One possible means of coding dogs would be a simple number system, whereby animals entering the shelter would be tagged with a number and a card bearing the same number would contain all available information about the dog.

"We hope to give them all rabies shots unless they're definitely marked for destruction," Mrs. Chapman said, "and possibly the serum for distemper as well."

Other board members are Mrs. Marvel Walker, vice-president; Mrs. Anita Estimoff, secretary; Mrs. Rosemary Myers, treasurer; and Mrs. Harriet Juda, Mrs. Lucille MacLeod, Alderman Donald Partney and Cecil Dant.

The group met originally at the request of Mayor Davis and elected its officers, subject to the approval of the city council. Mrs. Chapman said the group meets the second and fourth Tuesday of each month at 7:30 p.m. at the city hall.

The shelter as first proposed was to cost more than \$20,000 but repeated paring narrowed the amount to \$7000 for materials.

Many Sites Suggested

Several locations for the shelter were suggested last fall by council members and Mayor Davis. Some sites were abandoned because of objections.

Dimensions of the present tract are 385x40x118x35-feet. It has the approximate shape of a triangle with one side concave.

Changes Pled To Guilty

Arthur E. Kearns, 30, of 2336 East 24th street, pleaded guilty Friday in police magistrate court to charges filed Sept. 7 by Vanetta Kearns of assault and battery and creating a disturbance. He was released upon payment of a fine of \$20 plus court costs. He had pleaded not guilty Sept. 8.

State St. Resurfacing To Be Started Today

Application of asphalt resurfacing on State street from 14th to 18th street is scheduled to begin today under a \$21,480 motor fuel tax contract, it was learned today from the city's engineering office.

The same contractor, Alpha Asphalt Co., East St. Louis, has the subcontract for asphalt resurfacing 18th street between State street and Madison avenue. That \$10,000 motor fuel tax contract was awarded to A. H. Seebold Co. for removal of old street car tracks and repairs to the concrete pavement.

W. A. Pearson of the city's engineering staff said the resurfacing of 18th street will be delayed until a week to give new concrete sufficient time to cure.

Engineer Depot Model On Display At Bank

Currently on display in the lobby of the First Granite City National Bank is the bank's third exhibit in its "Salute to Industry" series, a large scale model of the Granite City Engineer Depot.

Included in the display are shadow boxes depicting each of the main functions of the Corps of Engineers' largest military supply installation. The missions displayed include receipt, storage and issue of general engineering supplies and equipment; the repair and rebuilding of equipment in maintenance; the training of military units in supply and maintenance techniques; and provision for technical information on improvements of packaging engineering equipment.

The bank will continue the Engineer Depot display through Sept. 29. The fourth in the series of displays, beginning Oct. 2, will feature the A. O. Smith Corp.

Coolidge Junior High PTA To Meet Tonight

The first regular 1961-62 meeting of the Coolidge Junior High school PTA will be held tonight at 7:30 in the all-purpose room of the school.

Mrs. Valerie Evenden, president, will conduct the business meeting, and the teaching staff will be introduced by Ralph Prohard, principal, who also will explain the curriculum. All parents and friends of the school will be welcomed.

Names Omitted

The names of Mr. and Mrs. George Woodring and son of Wentworth, Mo., and Mr. and Mrs. Virgil Kuster and daughters of Edwardsville, guests at the 60th wedding anniversary celebration of Mr. and Mrs. Henry Winkelmann held recently, were inadvertently omitted in Thursday's issue of the Press-Record.

ORCHID LOUNGE — PIZZAS

Enthusiasm? Surprised? Excited? Sure, wouldn't you? State Farm has added new benefits to its carefully-dividing Illinois policyholders. State Farm policyholders are entitled to these new benefits in effect right now. They're really surprised, however... State Farm has added new benefits without increasing rates. But, they're really excited, and you will be, too, about the benefits added to State Farm's coverage. Two new Safeguards against Cancellation and Surcharge give written protection against cancellation due to accidents plus the assurance that State Farm's low rates will stay low (no surcharges as a penalty for accidents or traffic violations). And, there are five more additional benefits. Call me today or stop in for more information.

City Commended For 1960 Record of No Traffic Deaths

Praising Granite City's achievement in 1960 of a full year without a single traffic fatality and an increase in its annual inventory of traffic safety activities, Traffic Safety Advisor Paul E. Matlock of Springfield said officials last week there still was considerable room for improvement in accident prevention measures.

Matlock, who represents the state's division of traffic safety, said the progress report for 1960, compiled under the President's Committee for Traffic Safety, showed Granite City with a 44 rating, an increase of 12 over the 1959 rating of 32.

The city's rating fulfilled minimum requirements and showed gains in seven of eight categories, with an incomplete report blamed for a drop in school safety education.

In addressing city officials and members of the police department, the traffic safety expert stressed that every accident is a potential fatal one and that he noted with pleasure during earlier conferences with police that the city's 1961 accident rate is showing a decline.

He commented that it was unfortunate that the spottiest fatal record in Granite City has been marked this year with three fatalities, but added that the city's average of two such deaths a year is below the national average of four, based on records compiled from 244 cities of comparable size.

Top recommendations of the safety division for the city, he added, are to increase the number of police officers, purchase of equipment for driver intoxication testing, improvements in public and school safety education and development of a community wide program, headed by the mayor with the assistance of citizens and officials groups.

Outstanding Police Work

"Your police department is doing an outstanding job with its 36 men, especially since only one fatality occurred on the street at any one time. Our records show a city of this size averages about 72 police officers."

"Of course, we realize you can't double the size of the

force overnight, but perhaps a program could be worked out to add two or three a year," Matlock told the officials.

Present were Mayor Davis, Chief Raymond Willard, who also is president of the Quad-City Safety Council, Lt. Paul Moore, who was in charge of the report and the evening's program; Aldermen Edward Bartsioski and Donald Partney, several police officers and George L. Crawford, state traffic field engineer for this district.

City's New Radar Speed Unit To Arrive In 2 Weeks

Speeders take note.

Delivery of the Granite City police department's new radar timing unit is scheduled in two weeks, it was learned today from Chief Raymond Willard.

Purchase of the unit at a cost of \$1600 was authorized last week by the Granite City council after reviewing three bids. Chief Willard said it will be mounted in a regular police car unit such time as an unmarked car is furnished the department.

He recommended purchase of the transistor unit at the \$1600 cost over a regular unit costing \$1650 to save wear and tear on the police car battery. The radar mechanism is to be bought from the Highway Safety Products Co. of Decatur. Another bid in the amount of \$1780 was submitted by a Springfield firm.

Nevada Sewer Bid

A call for bids is being made today by the city for construction of an estimated \$13,000 sewer line in the 2200 block of Nevada avenue.

The eight-inch line is to serve 11 houses that now have cesspools, and the property owners are to pay \$2000 of the total, with each assessed at \$500 to be refunded the city over a period of five years.

A city notice calling for bids on the sewer project appears elsewhere in today's issue and lists 4 p.m. Oct. 2 as the opening date.

Preparations are under way in the comptroller's office for retroactive pay for all city employees who were granted \$25 monthly pay increases during July budget sessions. The ordinance authorizing the pay boost, retroactive to May 1, was adopted last week, when the council authorized the mayor to sign one-year work agreements with the Municipal Employees Union representing office workers and the Labor and Teamster Unions representing street and sanitation department workers.

Committees Meet Tonight

During committee sessions this evening, the Public Safety committee is to study the need for seat belts in city vehicles and also the possibility of seeking bids for towing service. In the event a motorist involved in an accident states no preference. The Personnel committee is to study a request from Bricklayers Local 63 that its members be given the job of building or rebuilding manholes in the city, work now being carried out by street department laborers.

The Public Safety Work committee have been asked by aldermen to consider a request from the Granite City park district for acquiring the fence on the city block at 24th street and Madison avenue when it is removed for post office building construction, to investigate reports of gas odors during early morning hours from the Reilly Tar & Chemical Corp. plant and to remove a tree at 20th and Omaha streets.

Reckless Driving Charge

Madison J. Callahan, 68, of 1911 Benton street, was charged Friday at 7:10 p.m. with reckless driving following an accident in which he backed out of his driveway into a parked truck. The truck was owned by the Cook Coffee Co., Decatur, and was driven by David Hartsler of Decatur. Callahan was released upon posting his driver's license as bond.

Plan 'Freedom Day' Discrimination Test

A "Freedom Day" project to determine if restaurant operators in 21 Illinois communities are willing to serve Negroes will be conducted during a 12-hour period on Saturday, Oct. 7, according to spokesmen for the local Congress of Racial Equality and National Association for the Advancement of Colored People.

The communities will be divided into four groups, of which Venice, Madison, Granite City and Mitchell will be one. Co-ordinator of the "Freedom Day" in this area will be Hugh Harrison of 901 Main street, Venice, president of the local NAACP chapter.

Participants in the project will distribute copies of the Illinois anti-discrimination laws to proprietors and the public. Cases of discrimination encountered during the 9 a. m. - 9 p. m. period will be brought to the attention of CORE and NAACP groups for "further action."

A summary of the findings of the tests will be made available on Monday, Oct. 9.

4 Madison Boys Fined Following Accident

Fined Thursday in the court of Granite City Police Magistrate Gustavovic were four Madison youths who were arrested the night before following an accident in the 2600 block of Madison avenue. All four pleaded guilty as charged.

Richard R. Bates, 18, of 1635 Fifth street, was fined \$45 on charges of careless driving and illegal transportation of liquor; Lloyd L. Taylor, 21, of 2031 Beckwith street, \$10 for illegal possession of liquor; and Claude Stearns, 19, of 2127 Edwards street, and Ronald L. Carney, 17, of 1641 Sixth street, \$5 each plus costs for the same charge.

Police said the accident occurred when the Bates auto sideswiped another southbound car on Madison avenue driven by Ruben M. Jent, 61, of Carterville, Ill. There were no injuries.

Children Drink Bleach, Alcohol; Eat Aspirins

Three youngsters, who swallowed rubbing alcohol, bleach and aspirin in three separate home accidents, underwent stomach lavages Saturday at St. Elizabeth Hospital.

Fifteen-month-old Kimberly Sykes, 2801 Myrtle avenue, drank an unknown amount of rubbing alcohol; while Anthony King, one-year-old, 813 Jackson street, Madison, drank about a half-cup of bleach, and Richard Freeman, 2, of 1512a Third street, Madison, ate about five grains of aspirin.

Rhonda Hacker, 7, of No. 8 Kaseberg Park, was treated for a dog bite to her right thigh while Sharon Hodges, 4, of 2448 Killarney avenue, suffered cuts and abrasions to her face when she fell on concrete while riding a bicycle.

Dennis Joyce, 3, of 2743 Sunset drive, suffered a nose injury while playing football; and 18-month-old Bruce West, 2421 Ohio avenue, cut his forehead when he slipped and fell against a car.

2-Year Old Danny Durham Dies At Kansas Hospital

Mr. and Mrs. Joe Durham, 2311 Kirkpatrick Homes, have received word of the death due to pneumonia of their grandson, two-year-old Danny Durham, at a Topeka, Kans., hospital Wednesday. He was the son of Mr. and Mrs. J. R. Durham, formerly of Granite City, who now live at Norton, Kans.

Mr. and Mrs. Harold Carver, 2810 Namooki road, sister and brother-in-law of the boy's father, attended the funeral in Kansas. The Durhams have one other son, Joe, six. They left Granite City five years ago.

Fallout Shelter Plans Available At Bank

Civil Defense literature, including detailed descriptions, diagrams and building instructions for various types of home shelters against radioactive fallout is now available at the Granite City Trust & Savings Bank. Information concerning warning signals, emergency procedures and required shelter supplies also is available at the bank, public relations director.

The material is displayed on a table in the lobby, along with a scale model of a family fallout shelter.

The lobby display has created a great deal of interest," Hoerner said, "and while fallout shelters may not be the most pleasant of subjects, the danger is apparent in these times and we feel information about fallout protection should be readily available to the public."

Hoerner noted that fallout shelters can now be financed through the Federal Housing Authority, making it easier for the average family to afford one. He said the model shelter will be on display at the bank for several weeks.

FIRST FALCON MEETING FOR CUB PACK 91

Cub Pack 91, sponsored by the Y.M.C.A. of the Presbyterian Church, met in the cafeteria of the Nameoki grade school Friday evening for its first meeting of the season.

The meeting was opened by Omar Ronk, committee chairman, and the pledge of allegiance was led by Jeffrey Lybarger and Donald Durbin. Ronk introduced the new parents and boys in the pack, and songs were led by Victor Anderson.

An unusual playlet was directed by Mrs. Janet Underwood. Cubes Bob Williams, Bob Causey, Jerry Ronk, Billy Schermer, Roger Underwood and Phillip Lamm of Den Three portrayed doctors, nurses and a patient in an operating room. The patient had date, ego, idleness and laziness removed; put there place were love, joy, ambition and business. The cubes were masked and gloved, and an "anesthetic" was given with a tire pump.

Willis Shepard, cubmaster, presented awards to Roger Underwood and Steven Glaser. Shepard explained the purpose of cub scouting, aims of the pack for the coming year and activities enjoyed by the pack. Games were played under the direction of Victor Anderson, "den dad" of Den One. Den One and Three tied for the "litter" award, with Den Three to keep it for the first two weeks and Den One the last. The "litter" award was the second annual tea and the next pack meeting Oct. 27, Jim and John Rehagen led the closing song, "Good Night Cubscouts."

Refreshments were served by Den Two, led by Mrs. Dorothy Lybarger and Mrs. Vera Philipman.

MRS. HARRISON HOSTESS TO SECRET PAL CLUB

Mrs. Jo Ann Harrison entertained her Secret Pal Club Thursday evening in her home, 1145 Woodlawn avenue.

The birthday of Mrs. Maxine Elston was observed, and she received gifts from the club members and from her secret pal. The hostess received a gift from her secret pal for her anniversary. Mrs. Norma Vaughn also received a gift from her secret pal.

Games were played and prizes were awarded to Mrs. Eva Kraus, Mrs. Norma Vaughn, Mrs. Geraldine Thomas and Mrs. Jerry Hill.

A decorated birthday cake was used as centerpiece of the serving table and a late supper was served by the hostess to the prize winners and Mrs. Betty Pavier, Mrs. Boots Perkins and Mrs. Dorothy Burgess.

The next meeting will be Oct. 19 at the home of Mrs. Burgess, 1211 Woodlawn avenue, with Mrs. Elston as hostess.

SHOWER FOR NEW ARRIVAL

Mrs. Sidney Murphy was complimented with a shower at her home, Scott, Wednesday evening. The party, given by Mrs. Joan Pfeiffer and Mrs. Sandy Harper, was held in the Harper home, 1915 Lynn avenue.

Games were played and prizes were awarded to each guest.

A late dessert course was served by the hostess to Mrs. Gayle Pich, Mrs. Joan Murphy, Mrs. Georgine Mills, Mrs. Gladys Murphy, Mrs. Beulah Outley, Mrs. Jo Smallwood, Mrs. Alma Bunte and Mrs. Ebel Marmon.

PROJECTS PLANNED BY NAMEOKI WOMAN'S CLUB

A 1230 luncheon and meeting of the Nameoki Woman's Club was held Wednesday at the Rose Hotel with 18 members present.

The club collect was read by the group, and Mrs. Alta Steward, president, conducted the meeting.

Mrs. Leo Roman reported on the progress of the League of Women Voters association and explained the purpose of the organization. She invited the club members to join.

The co-chairman of the ways and means committee announced that a card party will be held Nov. 8 at the Big Top, and Mrs. John Lenz gave a report on the Lincoln Loder for Boys at Springfield, Ill. She asked that the members bring towels, wash cloths and soap to the October meeting for boys at the lodge.

The day's hostesses were Mrs. Dawson Wade, Mrs. Harold Caldwell and Mrs. Homer Blum.

Other members attending were Mrs. Emmett Arbelier, Mrs. Emmett Beeler, Mrs. Robert Brammar, Mrs. Wilfred Cooley, Mrs. J. A. Grant, Mrs. Mel Jennings, Mrs. E. W. Grant, Mrs. Paul Maas, Mrs. C. J. McCollum, Mrs. Arthur Rose, Mrs. Mary Jones, Mrs. Lyle Haynes and Mrs. Elsie Rodell.

The next meeting will be Oct. 18 at the Rose Bowl.

GET-AQUAINTED AT PROHARDT SCHOOL

The Prohardt PTA held a "Get Acquainted Tea" Friday afternoon for the kindergarten mothers and the mothers of new students of the upper grades. The tea was the second annual tea and served to acquaint the mothers with the school, the teachers and the PTA. For the kindergarten mothers, it was intended to ease the transition of pre-school children to the regular school. The PTA and Mrs. Betty Vessas was chairman of the tea and used an autumn theme in the decorations.

The tea was held at the home of Mrs. Vessas, assisted by Mrs. Edith McGee, Mrs. Dorothy Pearson, Mrs. Mary Bondageard, Mrs. Dorothy Wallace, Mrs. Mary Jesse, Mrs. Lyle Haynes and Mrs. Elsie Rodell.

The welcome address was given by Harry Marshall, school principal, who explained the school calendar and policies of the school. Homer Johnson, PTA president for the 1961-62 school term, also welcomed the guests and invited them to attend the PTA meetings.

Marshall announced that there are approximately 65 new students in the upper grades and that one family came here from Formosa. Mrs. Norma Rains, membership chairman, outlined the outlines and principles of PTA and extended an invitation to join.

CANDLELIGHTERS MEET WITH MRS. LAUB

Mrs. Arlene Laub entertained the Candlelighters Wednesday evening in her home, 3278 Westchester drive.

The group played pinocle, with Mrs. Ruth Tyler excelling and winning first prize and the flower prize. Mrs. Norma Loftus second and Mrs. Arlene Rains, third.

The hostess used a fall theme of subdued colors for her decorations and centerpiece of yellow and brown candles which were surrounded with large tan leaves.

A late dessert course was served to the prize winners and Mrs. Shirley Brown, Mrs. Lou Cruse, Mrs. Betty Prater, Mrs. Doris Thompson and Mrs. Donna Hogan.

Mrs. Hogan invited the club to meet with her for the Oct. 4 meeting at her home, 2321 Clark avenue.

GOING-AWAY PARTY FOR MRS. SABIN

A farewell party was held Saturday evening for Mrs. Ann Sabin, who will leave Oct. 1 for a three-week trip to London, England, to visit her mother. Hosts were Mr. and Mrs. Ray Durbin in their home, 1644 Venice avenue.

Guests honoring Mrs. Sabin were Mr. and Mrs. Al Mueller

with bruises and abrasions about 1 a.m. Sunday when his cycle crashed into a barricade on a dead end of the old Chain of Rocks road pavement near the canal bridge.

Authorities said Bradley was riding east and apparently was unaware of the barricade at the dead end of the old section of highway which was abandoned when the canal was dug. He was given emergency treatment at St. Elizabeth Hospital before being transferred to Barnes Hospital, St. Louis.

Myocardial, 6 Hits Auto

Injuries to his face were suffered Saturday evening by six-year-old Michael McDonald, 2422 Delmar avenue, who rode a bicycle into the side of a car at 24th and Delmar streets. He was taken to St. Elizabeth Hospital for treatment of injuries to his forehead, nose and upper lip.

Police were told by witnesses the boy, riding west on 24th street, went through a stop sign and into the side of a southbound auto driven by Philip W. Morris, 20, of 2439 State street. The left front door on the car was damaged slightly.

The boy was taken to the hospital by his father, Ernest.

Hurt In Hit-Kim Crash
Mia Maytag, 22, of 2222 Madison place Thursday afternoon, suffered a skull fracture when she was struck by a car on her way to work.

Police said she was struck by a car on her way to work. She was taken to the hospital by her father, Ernest.
